The Isabelle M. Brand Scholarship

The Lucille Brand Boeshaar Scholarship

The William Brand Boeshaar Scholarship

2011 BRAND BOESHAAR SCHOLARSHIP APPLICATION

Lillian L. Brand

Lillian L. Brand was a lifelong resident of the City of Davenport and worked as an executive secretary for the Dewey Portland Cement Company for many years. Miss Brand never married and shared a house on Locust and Harrison with her two sisters Isabelle M. Brand and Lucille Brand Boeshaar and Lucille's son William Brand Boeshaar. Both of Miss Brand's sisters preceded her in death. Her nephew William also died very young—while he was an art student at St. Ambrose University. It is because of William's interest in art that Miss Brand left her estate in a trust which funds this scholarship program to support art education for young people. Each of the four scholarships is named for one of the members of the Brand family.

2011 Scholarship Criteria

The Brand Boeshaar Scholarship Program awards four scholarships annually to students who wish to earn a degree in **Fine Art, Design** or **Art Education** at a college or university. To be considered for this prestigious award, please complete the application and submit all necessary application materials (see **Application Checklist**). Scholarship awards will be made based on the scholarship criteria listed below.

1. A candidate must be a graduating senior from a public or private high school in one of the following education service areas: **Mississippi Bend AEA 9** (Iowa), **Rock Island County Regional Office of Education** (Illinois), and **Bureau, Henry and Stark County Regional Office of Education** (Illinois). Homeschooled students in these service areas may also apply.
2. A candidate must have achieved a high school grade point average of 2.5 on a 4.0 scale (or equivalent).
3. A candidate must enroll in a fine art, commercial art or art education academic program at a college or university. A candidate may double major as long as one major is an approved field of study in art.
4. A candidate's potential for future personal achievement will be evaluated by a Scholarship Review Committee, as determined by an **application**, a **portfolio**, a high school **transcript** and **two letters of support**.
5. Each scholarship award is **\$3,000 for the first academic year**. Scholarships will be renewed for three subsequent years, based on continued scholastic achievement in the student's designated major. If renewed, a scholarship recipient will receive \$12,000 over four years.
6. Scholarship funds are distributed through the college or university's financial aid office. Scholarship funds must be applied to tuition, at the discretion of the financial aid office. Any remaining amount will be refunded to the student to cover art materials or other school-related expenses.
7. Acceptable collegiate scholastic achievement is 3.0 on a 4.0 scale (or equivalent).
8. The freshman year is considered a **probationary period**. If an acceptable grade point average (3.0 on a 4.0 scale) is not achieved by the end of the spring semester, the student will have the opportunity to improve his or her GPA during the fall semester of his or her sophomore year. If a 3.0 cumulative GPA is not achieved by the end of this semester, the scholarship will not be renewed.
9. A Brand Boeshaar Scholarship will be revoked if a recipient:
 - Fails to maintain an acceptable grade point average (3.0 on a 4.0 scale)
 - Fails to complete required courses necessary for his or her particular field of study as determined by the college or university
 - Leaves school
 - Changes his or her art major to another field of study.
